

Education for Orphans

EFO exists to support the physical, mental, and spiritual health and growth of orphans by actively sharing the love of Jesus Christ through personal relationships and through the provision of resources necessary for their care and instruction.

Against all odds our students are putting in the hard work to further their

education and be the light of Christ in a very dark situation. This year has proved trying for our students and the country of Haiti as a whole. From kidnappings to extreme violence and political turmoil Haiti has seen very dark days with little hope for future peace. Through this turmoil we had two students graduate from university! We are very proud of their success and honored to be a small part of what God is doing in their lives!

Future Plans

It is our desire to remain faithful to our students in Haiti despite our inability to visit in person. We are asking for your continued prayer for each of our twelve students as they work to finish their schooling. Though we are continuing to support students in Haiti we believe that EFO should also, once again, become a sending organization. We are currently looking for connections around the world where we feel God is calling us to send groups and begin sponsoring more scholarships. As of now we have three EFO representatives going on a mission trip to Columbia in July to see if there is opportunity for us to expand. We are also looking into joining a trip to Nepal in October. Though we are currently supporting one student in Nepal we would like to see if there are more ways for EFO to become involved in what God is doing there. Please be

praying with us as we seek out where God would have us in the future.

SCHOOL AND ORPHANAGE TAKEOVER

UNFORTUNATELY THE GOVERNMENT HAS DECIDED TO TAKE NEW LIFE ORPHANAGE SARTHE ALONG WITH THE ATTACHING SCHOOL IN ORDER TO INCREASE SECURITY FOR THE AIRPORT. AT THIS TIME WE DO NOT KNOW HOW LONG OUR STUDENTS HAVE UNTIL THEY WILL BE UPROOTED. WE ARE ALSO UNSURE OF ANY COMPENSATION THAT WILL BE GIVEN TO REBUILD ELSEWHERE. FOR THOSE WHO HAVE BEEN ON TRIPS TO HAITI IN THE PAST YOU KNOW HOW MUCH OF A BECKON OF LIGHT THE ORPHANAGE AND SCHOOL WERE TO THE COMMUNITY. PLEASE BE PRAYING OVER THE SITUATION AS WE WILL NOW BE LOOKING INTO RELOCATING AS MANY OF OUR STUDENTS AS POSSIBLE.
